## An international peer-reviewed open access journal in Byzantine Studies

BYZANTINA SYMMEIKTA is an international peer-reviewed open access journal in Byzantine Studies published by the Institute for Byzantine Research of the National Hellenic Research Foundation. It is the new form of the journal ΣΥΜΜΕΙΚΤΑ, which has been published since 1966.

*"The new scientific practices and the latest developments in the publishing of research have lead us to re-evaluate the aims of ΣΥΜΜΕΙΚΤΑ. In it's new form as a peer-reviewed open access journal with well-defined processes and scope, BYZANTINA SYMMEIKTA maintains high standards in publications and in the meantime takes advantage of the possibilities offered by the new technologies".*
